

SPY SCHOOL

PRIMARY INCURSION

Become a Secret Agent for the Day! Recruit your class, crack codes, solve mini mysteries and complete exciting missions, with a focus on teamwork, critical thinking, problem solving, communication and creativity! Your students will LOVE our Spy School incursion!

- **Critical and Creative Thinking** – Decoding clues, solving puzzles, testing strategies and adapting approaches.
- **Personal and Social Capability** – Teamwork, communication, leadership and collaborative problem-solving.
- **English** – Reading instructions, interpreting clues, following sequences and communicating findings in a Top Secret Spysheet for every student!
- **Mathematics** – Pattern recognition, applying logic, sequencing, cracking codes and solving number puzzles.
- **The Arts** – Role-play, character creation, padlocked cases to unlock and dramatic storytelling through our interactive spy theme.

Session capacity: 30 students (please contact us to discuss larger groups)

Duration: 45 minutes + themed extension activities for Educators / Teachers

Curriculum Level: Foundation – Year 6 (difficulty options to suit year levels)

Your Spy School experience includes:

- 'Secret Agent' hosts in costume and immersive props
- Top Secret Spysheet for every student with interactive clues to find, puzzles to solve and challenges to complete!
- Secret Agent themed literacy and numeracy activities

Why Kids and Educators LOVE Spy School:

- Embeds curriculum into play-based learning and engaging activities
- Encourages interaction and imagination with non-violent challenges to solve
- Applies real-world skills (observing, investigating and problem-solving)

Fixed Cost: \$300 per session for up to 30 students (larger groups can be accommodated)

Please note: discounted rates will apply for multiple sessions in one day

(maximum of 4 sessions per day)

Incursion Travel: includes travel within 30km radius of Gawler.

Additional travel costs may apply - please contact us for a quotation.
