Introducing.... Wizard School incursion, where learning is magical!

We would like to visit your Early Learning Centre for a special incursion designed to engage, inspire, and educate children through a fun and interactive learning experience!

During our visit, children will participate in activities that support their learning while encouraging curiosity, creativity, and active participation. We have been operating since 2021 with Vacation Care experiences, our award-winning chocolate making workshops at Barossa Valley Chocolate Company and other popular kids events.

Our incursion, "Wizard School" has been developed specifically for ELC and pre-kindergarten groups (ages 3-5), with a focus on EYLF learning outcomes;

**Outcome 4: Children are confident and involved learners**

**Outcome 5: Children are effective communicators**

Through hands-on experiences, demonstrations, discussions and age-appropriate activities, children will have the opportunity to explore ideas in an enjoyable and memorable way.

- **STEM "Potions"** – learn about ingredients and chemical reactions ("what if" inquiry)
- **Literacy** – Wizard storytime, discovery pouch, wizard words and communicating ideas
- **Numeracy** – themed counting, matching and sorting activities
- **Creative Arts** – exploring creative experiences with a wizard themed project
- **General Capabilities** - Critical & creative thinking, personal & social capability

We are passionate about creating a safe, inclusive and engaging environment where every child feels encouraged to participate. Our team is experienced in working with children and is committed to delivering a positive educational experience for all students.

We would love the opportunity to visit your centre and share this exciting learning opportunity with your children – they will thoroughly enjoy themselves!

If you have any questions about the program, please feel free to contact us - we're always happy to help!

Kind regards,

*Deb Herring*

# WIZARD SCHOOL

## ELC INCURSION

Welcome to **Wizard School**, where imagination takes flight and every child becomes a young wizard in training!

Learn about creating a bubbling 'Harmony potion' and interact with spellbinding activities and magical play - perfect for curious minds and adventurous spirits.

**Duration:** 45 minutes + themed extension activities for Educators / Teachers

**Session capacity:** 25 students

**Curriculum Level:** ELC ages 3 – 5 years

### Wizard School Experience inclusions:

- Wizard host in costume
- Guided 'potion' making experience including mini cauldrons and exciting chemical reactions to create a 'harmony potion'.
- Learn about 'potion' ingredients and experimenting with outcomes
- Engaging wizard presentation and play based learning
- Wizard storytime and themed resources to ignite imagination

### Learning Areas Covered EYLF:

- **STEM "Potions"** – learn about ingredients and chemical reactions ("what if" inquiry)
- **Literacy** – Wizard storytime, discovery pouch, wizard words and communicating ideas
- **Numeracy** – themed counting, matching and sorting activities
- **Creative Arts** – exploring creative experiences with a wizard themed project
- **General Capabilities** - critical & creative thinking, personal & social capability

### Why Kids and Educators LOVE Wizard School:

- Embeds EYLF curriculum into play-based learning
- Encourages engagement, communication and imagination
- Applies real-world skills to a fun theme!

**Fixed Cost:** \$300 per session for up to 25 children

Please note: discounted rates will apply for multiple sessions in one day (maximum of 4 sessions per day)

**Incursion Travel:** includes travel within 30km radius of Gawler. Additional travel costs may apply.
